

# INTERNATIONAL TALENT ACADEMY

*Performing & Liberal Arts School for Children*

## ITA GIRL SCOUTS WORKSHOPS SERIES

*These workshops are intended for 1-6 hr sessions and will be custom designed for each individual group.*

### MUSICAL THEATER

This workshop is perfect for girls if they would like to combine their love of acting, dancing and singing on stage! During a fun, high-energy class, young students will work on voice development, acting exercises and a simple improv skit.

### GREEN THEATER

Green Theater Improv is an exciting program for children, where drama and storytelling, dress-up and creative games mixed together into one exciting world of fantasy! Young actors will create their own unique story, and then perform it using "green" scenery they made during the session.

### SHOW CHOIR

During this workshop children would enjoy working on their voices by doing fun warm-ups, musical games, breathing exercises, and of course, learning their favorite songs and movements. At the end, they will perform a song of their choice for parents and friends.

### TEAM BUILDING

Students will learn effective team building strategies through role play, playing games designed to strengthen their listening and leadership skills in a team environment, and work through mock difficult situations by recognizing and utilizing each team member's strength.

### ETIQUETTE: SOCIAL SKILLS & TEA PARTY

In the Social Skills workshop, participants will learn about how to introduce themselves and ask questions, how to make the first impression and read body language, and much more. At the Tea Party workshop, we would like to invite all the girls to dress up and learn all about dining skills and table etiquette. Both workshops include fun learning and interactive games and activities.

### FOR GIRLS ONLY!

Do you know how hard it is to survive in today's "girls' world"? This workshop is dedicated to teaching young girls to be true to themselves, overcome difficult situations, choosing quality friends, making the right choices in life, and developing a beautiful character. Through role-playing, book reading, movie discussion and friend-building games, the girls will learn what it means to possess self-confidence, good character and true friendships in our current society. Let's get together and make a difference, ladies!
